

Gun Shop & Shooting Range

## FIREARM TRANSFER FORM

So, you purchased a firearm through an auction site or from a friend in State. They can't just send you the gun through the mail. How are they going to get the firearm to you?

### Here is how.....

Wild West Traders is a Federal Firearms License (FFL). As such we can operate as your legal transfer agent. First, you need to contact us here in the store that you are transferring a firearm(s) and from which dealer. Second, you must complete our Firearms Transfer Form for the specific firearms, and third you need to pay our FFL transfer fee of \$35. We will send a copy of our Firearms License to the dealer you are purchasing the firearm from.

**This Form must be completed and paid for before we receive or ship a firearm.**

If you are buying the firearm from an individual, you must follow the same process as from a dealer, with the exception for the third step they do not need a copy of our Firearms License, however we DO NEED a copy of their drivers license. Keep in mind the individual MUST BE a Georgia resident.

When we receive the firearm in we will log it into our inventory and give you a call to let you know to pick it up. We will call you! Your firearm may not be available immediately. It might be a day or so before it is ready to pick up.

We know that you are excited to get your new firearm and we will do what we can to make your wait as short as possible.

When you get the call, come to Wild West Traders and fill out the appropriate NICS and WWT paperwork for your background check. There is a \$10 charge for the required NICS background check.

Once you receive a "proceed" from the NICS check system you may take possession of the firearm. There are no refunds of the transfer fee or background check or a "deny" result.

**WWT will not accept delivery of firearms without this Form. All postal fees are the buyer's responsibility.**

**Incoming Transfer Fee is \$40 per gun. Outgoing Transfer Fee is \$40 per gun + S&H (min \$20).**
